Dear Sir/Madam,

Brenchley Road, Horsmonden, Tonbridge

Thank you for your correspondence and plan dated 7th October 2019 which has been passed to me to reply.

For your assistance I enclose a fresh plan from our records at scale of 1:1250 indicating, in blue, the considered extent of the publicly maintainable highway in the vicinity of your enquiry as far as can be ascertained from the County Council's existing records.

Please be advised that where a ditch is situated within the verge then the highway boundary would be considered to extend to the carriageway side of the ditch; where there is a bank which supports the adjoining land rather than the highway, the highway boundary would be considered to extend to the toe of the bank; and where there is a bank which supports the highway rather than the adjoining land, the highway boundary would be considered to extend to the toe of the bank.

Data relating to Public Rights of Way (PROW) and Common Land/Village Green are held by the Councils Public Rights of Way and Access Service, please direct your enquiry to Invicta House, County Hall, Maidstone, Kent ME14 1XX. Information about the service can be found via the following link:

I trust the foregoing proves helpful and acknowledge with thanks receipt of your payment of £200 towards the cost of providing this information.

Please note that we only disclose publicly maintainable highway that is maintainable by Kent County Council Highways, Transportation and Waste, and in the immediate vicinity of your enquiry. The replies are given on the understanding that the Council does not warrant the accuracy of any of the replies and on the basis that neither the Council nor any officer, servant or agent of the Council is legally responsible, either in contract or tort; with the exception of negligence, for any inaccuracies, errors or omissions herein contained.
